The Wyoming Department of Education (WDE) is committed to meeting the requirements of the Elementary and Secondary Education Act (ESEA), Perkins V, Individuals with Disabilities Education Act (IDEA) and the McKinney-Vento grant program. Federal grant monitoring will require document review, and may include a combination of additional document review, on-site visits, interviews with staff, families and community members, and other means as determined necessary and allowable by statute and the Uniform Grant Guidance.

All **highlighted components** will be required through the Grants Management System (GMS) Monitoring feature. On-site visits or required technical assistance meetings will be determined after documentation review. On-site visits will be required in the event that documentation is incomplete or warrants more detailed review. *On-site requirements include, but are not limited to, the unhighlighted indicators.*
